Quick Start Guide

Accept This!

Before you start working with FoolProof for High Schools and this quick-start guide, be sure that your browser accepts cookies.

1.

Go to your credit union website, find the "FoolProof" link and click "FoolProof for High Schools." Then select "Teacher Login". This link takes you to the "sign-in" page.

The screenshot shows a browser window titled "FoolProof for High Schools". The address bar contains the URL "http://highschools.foolproofonline.info/teacher/signin.php?logout=1". The page features the FoolProof logo and the text "Real Financial Education". Below the logo, there is a "Please Sign In" section with fields for "Username:" and "Password:", a "Sign in" button, and a link for "Forgot your password?". At the bottom of the sign-in section, it says "New to FoolProof For High Schools? Sign up [here](#)." The footer of the page reads "©2008 FoolProof Financial Education Systems, Inc. All Rights Reserved." The date "Thursday, July 31, 2008" is displayed in the top right corner of the page content.

2.

If you are a first time user, please register. Click "Sign up here".

This is a close-up of the "Please Sign In" form. It includes a "Please Sign In" header, a "Username:" label with an input field, a "Password:" label with an input field and a "Forgot your password?" link, a "Sign in" button, and a footer that says "New to FoolProof For High Schools? Sign up [here](#)."

Enter your unique account information and access code then click "Register". Your credit union has the code.

3.

This is a close-up of the "Registration" form. It has a "Registration" header and a sub-header "To create an account please fill in the form below and click 'Register.'". The form contains several input fields: "First name:", "Last name:", "Username:", "Email address:", "Password:", "Password (re-type):", and "Access code:". There is a "Register" button at the bottom. Below the button, it says "Already signed up? Sign in [here](#)."

4.

You will be immediately notified when your account is successfully registered. Then click "Sign in here". If you get an error message, follow the instruction in the gray box on the top of the page.

Registration

Your account has been successfully created. Please sign in [here](#) with your registered username and password.

5.

On the "sign in" page, enter your registered username and password and click "Sign in".

Please Sign In

Password: [Forgot your password?](#)

Sign in

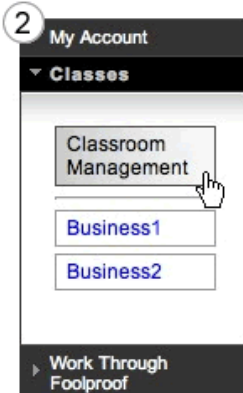

New to FoolProof For High Schools? Sign up [here](#).

This takes you to the "Teacher Homepage". On the left you'll see the main teacher options: "My Account", "Classes", and "Work Through FoolProof".

6.

To register a class, click "Classes", followed by "Classroom Management".

7.

In the "Classroom Management" screen, click "Add Class" and enter your course name and grade. Then click "Save". You can add as many classes as you like. Make sure each class name is unique.

The screenshot shows two parts of the interface. On the left, a box labeled '1 Classroom management' contains the text 'No classes' and two buttons: 'Add class' and 'Add student'. On the right, a box labeled '2 Add class' contains a form with two input fields: 'Course name:' and 'Grade:'. Below these fields are two buttons: 'Back to overview' and 'Save'.

8.

When done, click "Back to overview". This takes you to the "Class Management" page. Note the various class fields in the overview: "Class code", "Course name", "edit" and "delete."

The screenshot shows the 'Classroom management' overview page. It features a table with the following columns: 'Class code', 'Course name', 'edit', and 'delete'. Below the table are two buttons: 'Add class' and 'Add student'.

Class code	Course name	edit	delete
123	Business1	edit	delete
124	Business2	edit	delete

You will need to give your students the "Class Code" when they sign up. This will allow them to be added to the correct class.
